

SOLO PRO G1

Todo en uno Complete Cessna Flight Deck.

El entrenamiento de vuelo nunca antes había sido tan hermoso. Puede volar un Cessna 172 o un 182 en un panel de vuelo analógico 1 a 1 y / o G1000, tan real como sea posible.

SOLO PRO A y SOLO PRO G1 son nuestros dispositivos de entrenamiento de vuelo más nuevos diseñados y producidos para superar los requisitos de la FAA como AATD certificado.

¡Vuela como un verdadero piloto de Cessna 172 y 182!

Si está interesado en este produ hasta el formulario de contacto, estaremos encantados de ayudarle y responder a sus preguntas.
